- Alarcon GS: See Blake DJ
 Alpert M: See Peters JC
- Babb SV, Dunlop SR, Hoffmann MA: Protracted ventricular arrhythmias occurring after abrupt tricyclic antidepressant withdrawal (case report). Fall 452-454
- Badger J: See Goldberg R
 Baer L: See Surman OS
 Barkopoulos P: *Depressive Disorders and Immunity*. Edited by Miller AH (book review). Winter 109-110
- Barrett J: See Oxman TE
 Barrett JE: See Oxman TE
 Baruch J, Moorey S, Greer S: The effect of psychosocial factors on cancer prognosis (letter). Summer 358
- Beitman BD: See Peters JC
 Beresford TP, Turcotte JG, Merion R, Burch G, Blow FC, Campbell D, Brower KJ, Coffman K, Lucey M: A rational approach to liver transplantation for the alcoholic patient (editorial). Summer 241-254
- Berger M, de Soto DA: The use of ECT for Parkinson symptoms in a nondepressed patient (letter). Fall 465-466
- Blake DJ, Weaver W, Maisiak R, Alarcon GS, Brown S: A curriculum in clinical sexuality for arthritis health care professionals. Spring 189-191
- Bleich A: See Shalev A
 Blow FC: See Beresford TP
 Bongar B: See Cohen LM
 Breiger D: See Pumariega AJ
 Breitrner JCS: See Koenig HG
 Brower KJ: See Beresford TP
 Brown S: See Blake DJ
 Burch G: See Beresford TP
- Calabrese JR: See Markovitz PJ
 Callies AL: See Popkin MK
 Camara EG: See Sabet-Sharghi F
 Campbell D: See Beresford TP
 Carroll B: See Kathol RG
 Carson R: See Hale M
 Cavanaugh SVA: Drug-drug interactions of fluoxetine with tricyclics. Summer 273-276
- Chabot S: See Goldberg R
 Charles CL, Stoess L, Tollefson G: Zonisamide-induced mania (case report). Spring 214-217
- Christian F: See Goldberger R
 Cirasole DM: See Paddison PL
 Clamon GH: See Noyes R
 Coffman K: See Beresford TP
 Cohen LM, Bongar B: Adult temper tantrums misdiagnosed as epilepsy (case report). Summer 348-350
- Cohen LS, Heller VL: On the use of anticonvulsants for manic depression during pregnancy (letter). Fall 462-463
- Cohen MAA: Medical board president: another role for the consultation-liaison psychiatrist (letter). Fall 464-465
- Colón EA: See Popkin MK
 Conti S: See Fava GA
 Cook B: See Noyes R
 Cummings JL: See Dian L
- Daruna JH, Morgan JE: Psychosocial effects on immune function: neuroendocrine pathways. Winter 4-12
- Davis LG: See Surman OS
 DeCaria C: See Hollander E
 de Leon J: See Vitiello B
 de Soto DA: See Berger M
 Debelius-Enemark P: See Noyes R
 Dian L, Cummings JL, Petry S, Hill MA: Personality alterations in multi-infarct dementia. Fall 415-419
- Dreyer C: See Pumariega AJ
 Dunlop SR: See SV Babb
- Eastham J: See Rabins PV
 Edlund M: See Goldberg R
 Eisendrath SJ: Reply to Dr. Lazarus (letter). Summer 357-358
- Eisendrath SJ, Ostroff JW: Ranitidine-associated delirium (case report). Winter 98-100
- Endicott J: See Rosen LN
 Enterline JP: See Zabora JR
 Epstein S, Jenike MA: Disabling urinary obsessions: an uncommon variant of obsessive compulsive disorder (case report). Fall 450-452
- Esposito M: See Johnstone PAS
- Falk WE: See Yonkers K
 Farnsworth MG: Competency evaluations in a general hospital. Winter 60-66
- Fava GA, Grandi S, Saviotti FM, Conti S: Hypochondriasis with panic attacks (case report). Summer 351-353
- Federoff JP: See Komrad MS
 Feinsilver DL: *Recent Advances in Psychiatric Medicine*. Edited by Hall RCW (book review). Winter 111
- Felder A: See Linzer M
 Fetting J: See Rabins PV
 Fetting JH: See Zabora JR
 Fitting MD: See Rabins PV
- Flannery RB, Perry JC: Self-rated defense style, life stress, and health status: an empirical assessment. Summer 313-320
- Flynn CF, Thompson TL: Effects of acute increases in altitude on mental status: prevention and treatment. Spring 146-152
- Flynn T: See Surman OS
 Fogel BS: See Stoudemire A
 Frank C, Smith S: Stress and the heart: biobehavioral aspects of sudden cardiac death. Summer 255-264
- Frierson RL: The psychotic fear of AIDS (case report). Spring 217-219
- Frierson RL, Lippmann SB: Psychiatric consultation for patients with self-inflicted gunshot wounds. Winter 67-74
- Fritz GK: Consultation-liaison in child psychiatry and the evolution of pediatric psychiatry (perspective). Winter 85-90
- Garvey M: See Noyes R
 Garvey M, Noyes R, Yates W: Frequency of constipation in major depression: relationship to other clinical variables. Spring 204-206
- Gerber P: See Oxman TE
 Gittelman DK: On improving psychiatric consultation to non-psychiatrist physicians (letter). Fall 466-467
- Gise LH: See Paddison PL
 Glick J: See Vieweg WVR
 Goldberg R, Morris P, Christian F, Badger J, Chabot S, Edlund M: Panic disorder in cardiac outpatients. Spring 168-173
- Goldman LS, Klugman A: Psychiatric consultation in a teaching nursing home. Summer 277-281
- Golin S: See Pappas GP
 Gonzales JJ: *Prevention of Mental Disorders, Alcohol and Other Drug Use in Children and Adolescents*. Edited by Shaffer D, Philips I, Enzer NB (book review). Fall 459-460
- Goodman RL: See Margolis G
 Grandi S: See Fava GA
 Greenberg DB: *Concise Guide to Treatment of Alcoholism and Addictions*. By Frances RJ, Franklin JE (book review). Summer 354-355; *Drug and Alcohol Abuse: A Clinical Guide to Diagnosis and Treatment, Third Edition*. By Schuckit MA (book review). Spring 233-234; *Neurasthenia in the 1980s: chronic mononucleosis, chronic fatigue syndrome, and anxiety*

- and depressive disorders. Spring 129-137
- Greer S: See Baruch J
- Gritz ER, Wellisch DK, Siau J, Wang HJ: Long-term effects of testicular cancer on marital relations. Summer 301-312
- Guggenheim FG: See Ross RL
- Hackel A: See Linzer M
- Hale M, Jacobson J, Carson R: A database review in C-L psychiatry: characteristics of hospitalized suicide attempters. Summer 282-286. See: Riba M
- Hall RCW: *Legal Guide for Physicians*. By Taraska JM (book review). Winter 110-111
- Heller VL: See Cohen LS
- Herrmann N: Electroconvulsive therapy for a depressed patient with global aphasia (letter). Winter 115-116
- Hill MA: See Dian L
- Hillard JR: See Johnson AS: Severe claustrophobia in a patient requiring hyperbaric oxygen treatment (case report). Winter 107-108
- Hirsch MS: See Surman OS
- Hoffmann MA: See SV Babb
- Hollander E, Neville D, DeCaria C, Mullen L, Schneier FR, Liebowitz MR: On dysmorphic misdiagnosed as obsessive-compulsive disorder (letter). Fall 468-469
- Holmes VF: *Manual of Psychiatric Consultation*. By Stotland NA, Garrick TR (book review). Fall 457-458
- Holmlund JA: *The Medical Evaluation of Psychiatric Patients*. By Schiffer RB, Klein RF, Sider RC (book review). Summer 354
- Hundert EM: Of murmurs and mania (letter). Winter 114-115
- Hutzler JC: See Sabet-Sharghi F
- Jacobson J: See Hale M
- Jenike MA: See Epstein S
- Johannet C, Muskin PR: Mood and behavioral disturbances in hospitalized AIDS patients. Winter 55-59
- Johnson AS, Hillard JR: Prevalence of eating disorders in the psychiatric emergency room. Summer 337-341
- Johnstone PAS, Rundell JR, Espósito M: Mental status changes of Addison's disease (case report). Winter 103-107
- Kathol RG, Noyes R, Williams J, Mutgi A, Carroll B, Perry P: Diagnosing depression in patients with medical illness. Fall 434-440
- See Noyes R
- Kelly AB: See Thompson TL
- Kemp K: See Steibel V
- Kingsley RS: See Zarzar MN
- Klein D: See Wolcott DL
- Klugman A: See Goldman LS
- Koek RJ, Pi EH: Reply to Dr. Stevens (letter). Spring 237
- Koenig HG, Breitner JCS: Use of antidepressants in medically ill old patients. Winter 22-32
- Komrad MS, Federoff JP: Tricyclic click (letter). Winter 112
- Krahn D: Thyrotoxicosis and bulimia nervosa (case report). Spring 222-224
- Krishnan KR: See Linzer M
- Kuchner M: See Peters JC
- Lazarus A: Somatic therapy for conversion disorder (letter). Summer 357
- Lebovits A: See Paddison PL
- Leith W: See Mahr G
- Levenson JL, Colenda C, Larson DB, Baretta JC: Methodology in consultation-liaison research: a classification of biases. Fall 367-376

- Zabora JR, Smith-Wilson R, Fetting JH, Enterline JP: An efficient method for psychosocial screening of cancer patients. Spring 192-196
- Zarzar MN, Kingsley RS: Use of fluoxetine in a person with cardiac arrhythmias (letter). Spring 235-236

Subject Index

Abnormal Illness Behavior

The concept of abnormal illness behavior (perspective). Pilowsky I. Spring 207-213

Reply to Dr. Lazarus (letter).

Eisendrath SJ. Summer 357-358

Somatic therapy for conversion disorder (letter). Lazarus A. Summer 357

Acquired Immune Deficiency Syndrome

Lack of association between CSF findings and request for psychiatric evaluation of HIV-infected patients (letter). Praus DJ, Thomason JL, Rundell JR. Winter 116-118

Longitudinal change in HIV transmission risk behaviors by gay male physicians. Wolcott DL, Sullivan G, Klein D. Spring 159-167

Medical students' attitudes toward AIDS, homosexual, and intravenous drug-abusing patients: a re-evaluation in New York City. McGrory BJ, McDowell DM, Muskin PR. Fall 426-433

Mood and behavioral disturbances in hospitalized AIDS patients. Johannet C, Muskin PR. Winter 55-59

Multidisciplinary approaches to consultation-liaison psychiatry: the C-L psychologist on an AIDS treatment team. Orr DA, Wallack JJ. Fall 441-447

The psychotic fear of AIDS (case report). Frierson RL. Spring 217-219

Acute Altitude Sickness

Effects of acute increases in altitude on mental status: prevention and treatment. Flynn CF, Thompson TL. Spring 146-152

Addison's Disease

Mental status changes of Addison's disease (case report). Johnstone PAS, Rundell JR, Esposito M. Winter 103-107

Adjustment Disorders

Adjustment disorders in medically ill inpatients referred for consultation in a university hospital. Popkin MK, Callies AL, Colón EA, Steibel V. Fall 410-414

Alcohol

A rational approach to liver transplantation for the alcoholic patient (editorial). Beresford TP, Turcotte JG, Merion R, Burtch G, Blow FC, Campbell D, Brower KJ, Coffman K, Lucey M. Summer 241-254

Altitude

Effects of acute increases in altitude

on mental status: prevention and treatment. Flynn CF, Thompson TL. Spring 146-152

Alzheimer's Disease

The emotional impact of caring for the chronically ill. Rabins PV, Fitting MD, Eastham J, Fetting J. Summer 331-336

Anorexia Nervosa

The treatment of eating disorders (editorial). Mitchell JE. Winter 1-3

Antibiotic Therapy

Neuropsychiatric dysfunction in a patient with Whipple's disease: effects of antibiotic treatment (case report). Tarter RE, Edwards N, Hays A, Van Thiel DH. Spring 225-230

Anticonvulsants

Use of anticonvulsants for manic depression during pregnancy (letter). Markovitz PJ, Calabrese JP. Winter 118

Zonisamide-induced mania (case report). Charles CL, Stoesz L, Tollefson G. Spring 214-217

Antidepressants

Drug-drug interactions of fluoxetine with tricyclics. Cavanaugh SVA. Summer 273-276

Isotretinoin and trichotillomania (letter). Mahr G. Spring 235

Protracted ventricular arrhythmias occurring after abrupt tricyclic antidepressant withdrawal. Babb SV, Dunlop SR, Hoffmann MA. Fall 452-454

Psychotropic drug use in the medically ill: Part I. Stoudemire A, Moran MG, Fogel BS. Fall 377-391

Tricyclic click (letter). Komrad MS, Federoff JP. Winter 112

Use of antidepressants in medically ill old patients. Koenig HG, Breitner JCS. Winter 22-32

Use of fluoxetine in a person with cardiac arrhythmias (letter). Zarzar MN, Kingsley RS. Spring 235-236

Antivirals

A double-blind, placebo-controlled study of oral acyclovir in postherpetic neuralgia. Surman OS, Flynn T, Schooley RT, Baer L, Parker S, Hirsch MS, Davis LG. Summer 287-292

Anxiety Disorders

Neurasthenia in the 1980s: chronic mononucleosis, chronic fatigue syndrome, and anxiety and depressive disorders. Greenberg DB. Spring 129-137

Reduction of gastrointestinal symp-

toms following treatment for panic disorder. Noyes R, Cook B, Garvey M, Summers R. Winter 75-79

Arthritis

A curriculum in clinical sexuality for arthritis health care professionals. Blake DJ, Weaver W, Maisiak R, Alarcon GS, Brown S. Spring 189-191

Behavior

Adult temper tantrums misdiagnosed as epilepsy (case report). Cohen LM, Bongar B. Summer 348-350

Behavioral symptoms in cystic fibrosis vs. neurological patients. Pumariega AJ, Breiger D, Pearson D, Dreyer C, Seilheimer DK. Fall 405-409

Mood and behavioral disturbances in hospitalized AIDS patients. Johannet C, Muskin PR. Winter 55-59

Myocardial infarction and patients' wives. Shanfield SB. Spring 138-145

Biopsychosocial Studies

Darwin's illness: a biopsychosocial perspective. Pasnau RO. Spring 121-128

Books Reviewed

Concise Guide to Treatment of Alcoholism and Addictions. By Frances RJ, Franklin JE. Summer 354-355

Depressive Disorders and Immunity. Edited by Miller AH. Winter 109-110

Drug and Alcohol Abuse: A Clinical Guide to Diagnosis and Treatment, Third Edition. By Schuckit MA. Spring 233-234

Geriatric Psychiatry. Edited by Busse EW, Blazer DG. Summer 355-356

The Handbook of Psychooncology: Psychological Care of the Patient with Cancer. Edited by Holland JC, Rowland JH. Spring 232-233

Legal Guide for Physicians. By Taraska JM. Winter 110-111

Manual of Psychiatric Consultation. By Stotland NL, Garrick TR. Fall 457-458

The Medical Evaluation of Psychiatric Patients. By Schiffer RB, Klein RF, Sider RC. Summer 354

Premenstrual Syndrome: A Clinician's Guide. By Severino SK, Moline ML. Spring 231-232

Prevention of Mental Disorders, Alcohol and Other Drug Use in Children and Adolescents. Edited by Shaffer D,

Philips I, Enzer NB. Fall 459-460
Recent Advances in Psychiatric Medicine. Edited by Hall RCW.
 Winter 111

Research Methods in Psychiatry: A Beginner's Guide. Edited by Freeman C, Tyrer P. Fall 458-459

Brain Damage

Electroconvulsive therapy for a depressed patient with global aphasia (letter). Herrmann N. Winter 115-116

Breast Cancer

Psychological effects of breast-conserving cancer treatment and mastectomy. Margolis G, Goodman RL, Rubin A. Winter 33-39

Brief Symptom Inventory (BSI)

An efficient method for psychosocial screening of cancer patients. Zabora JR, Smith-Wilson R, Fetting JH, Enterline JP. Spring 192-196

Bulimia Nervosa

Prevalence of eating disorders in the psychiatric emergency room. Johnson AS, Hillard JR. Summer 337-341

Thyrototoxicosis and bulimia nervosa (case report). Krahn D. Spring 222-224

The treatment of eating disorders (editorial). Mitchell JE. Winter 1-3

Cancer

Distress associated with cancer as measured by the illness distress scale. Noyes R, Kathol RG, Debelius-Enemark P, Williams J, Mutgi A, Suelzer MT, Clamon GH. Summer 321-330

The effect of psychosocial factors on cancer prognosis (letter). Baruch J, Moore S, Greer S. Summer 358

An efficient method for psychosocial screening of cancer patients. Zabora JR, Smith-Wilson R, Fetting JH, Enterline JP. Spring 192-196

The emotional impact of caring for the chronically ill. Rabins PV, Fitting MD, Eastham J, Fetting J. Summer 331-336

Long-term effects of testicular cancer on marital relations. Gritz ER, Wellisch DK, Siau J, Wang HJ. Summer 301-312

Psychological effects of breast-conserving cancer treatment and mastectomy. Margolis G, Goodman RL, Rubin A. Winter 33-39

Reply to Dr. Baruch (letter). Weisman AD. Summer 358

Cardiasis Hypersensitivity

The changing faces of somatization. Steward DE. Spring 153-158

Cardiac Disease

Myocardial infarction and patients' wives. Shanfield SB. Spring 138-145

Panic disorder associated with permanent pacemaker implantation (case report). Peters JC, Alpert M, Beitman BD, Kushner M, Weibel R. Summer 345-347

Panic disorder in cardiac outpatients. Goldberg R, Morris P, Christian F, Badger J, Chabot S, Edlund M. Spring 168-173

Stress and the heart: biobehavioral aspects of sudden cardiac death. Frank C, Smith S. Summer 255-264

Use of fluoxetine in a person with cardiac arrhythmias (letter). Zarzar MN, Kingsley RS. Spring 235-236

Cardiac Side Effects

Ventricular tachycardia associated with desipramine and thioridazine (case report). Wilens TE, Stern TA. Winter 100-103

Caregivers

The emotional impact of caring for the chronically ill. Rabins PV, Fitting MD, Eastham J, Fetting J. Summer 331-336

Case Reports

Adult temper tantrums misdiagnosed as epilepsy. Cohen LM, Bongar B. Summer 348-350

Disabling urinary obsessions: an uncommon variant of obsessive-compulsive disorder. Epstein S, Jenike MA. Fall 450-452

Dysmorphophobia misdiagnosed as obsessive-compulsive disorder. Vitiello B, de Leon J. Spring 220-222

Hypochondriasis with panic attacks. Fava GA, Grandi S, Saviotti FM, Conti S. Summer 351-353

Long-term methylphenidate use in the medically ill patient with organic mood syndrome. Stiebel V, Kemp K. Fall 454-456

Mental status changes of Addison's disease. Johnstone PAS, Rundell JR, Esposito M. Winter 103-107

Neuropsychiatric dysfunction in a patient with Whipple's disease: effects of antibiotic treatment. Tarter RE, Edwards N, Hays A, Van Thiel DH. Spring 225-230

Neurosyphilis and organic mood syndrome: a forgotten diagnosis (case report). Ross RL, Smith GR, Guggenheim FG. Fall 448-450

Panic disorder associated with permanent pacemaker implantation. Peters JC, Alpert M, Beitman BD, Kushner M, Weibel R. Summer 345-347

Protracted ventricular arrhythmias

occurring after abrupt tricyclic antidepressant withdrawal (case report). Babb SV, Dunlop SR, Hoffmann MA. Fall 452-454

The psychotic fear of AIDS. Frierston RL. Spring 217-219

Ranitidine-associated delirium. Eisendrath SJ, Ostroff JW. Winter 98-100

Severe claustrophobia in a patient requiring hyperbaric oxygen treatment. Hillard JR. Winter 107-108

Thyrototoxicosis and bulimia nervosa. Krahn D. Spring 222-224

Ventricular tachycardia associated with desipramine and thioridazine. Wilens TE, Stern TA. Winter 100-103

Zonisamide-induced mania. Charles CL, Stoess L, Tollefson G. Spring 214-217

Central Nervous System (CNS)

Lack of association between CSF findings and request for psychiatric evaluation of HIV-infected patients (letter). Praus DJ, Thomason JL, Rundell JR. Winter 116-118

Child Psychiatry

Consultation-liaison in child psychiatry and the evolution of pediatric psychiatry (perspective). Fritz GK. Winter 85-90

Chronic Fatigue Syndrome

Neurasthenia in the 1980s: chronic mononucleosis, chronic fatigue syndrome, and anxiety and depressive disorders. Greenberg DB. Spring 129-137

Chronic Illness

The emotional impact of caring for the chronically ill. Rabins PV, Fitting MD, Eastham J, Fetting J. Summer 331-336

Neurasthenia in the 1980s: chronic mononucleosis, chronic fatigue syndrome, and anxiety and depressive disorders. Greenberg DB. Spring 129-137

Claustrophobia

Severe claustrophobia in a patient requiring hyperbaric oxygen treatment (case report). Hillard JR. Winter 107-108

Clinical Sexuality

A curriculum in clinical sexuality for arthritis health care professionals. Blake DJ, Weaver W, Maisiak R, Alarcon GS, Brown S. Spring 189-191

Clinical Trials

A double-blind, placebo-controlled study of oral acyclovir in postherpetic neuralgia. Surman OS, Flynn T, Schooley RT, Baer L, Parker S, Hirsch MS, Davis LG. Summer 287-292

Competency Evaluations

Index
